

Imprivata OneSign online recertification

Maximum participants: Per person.

Audience: Existing certified Imprivata OneSign Engineers.

Required pre-work: None required; supplemental eLearning courses are provided to prepare you for the exam.

Format: Online

Length: User dependent.

Overview

This online recertification program is designed to test your knowledge on the newest features and capabilities of Imprivata OneSign. It is created to keep your skills up to date with the Imprivata OneSign platform.

Passing the certification exam will earn Imprivata OneSign Certified Administrator status, valid for one year.

Imprivata Learning Center

As part of the Imprivata blended learning approach all registered class participants are granted access to the Imprivata Learning Center consisting of self-paced eLearning courses for one year.

Cost and registration
