

Imprivata Advanced Advisory Services

Key benefits

- A personalized approach to drive long-term success with Imprivata solutions
- Proactive partner to identify opportunities for maximizing value and mitigating potential risks to success.
- Central point of contact that understands your specific business needs, will advocate on your behalf, and drive cross-functional collaboration

Imprivata solutions are designed to address healthcare's unique and evolving identity and access management (IAM) challenges. To ensure an organization's long-term success with Imprivata solutions, Imprivata has a team whose exclusive focus is ensuring our customers realize value from their investments and have an exceptional customer experience. As your organization navigates the complexities of healthcare IT, it is important that IT and clinical teams alike be able to depend on a trusted technology partner to assist in producing positive business outcomes. Imprivata Advanced Advisory Services enables you to maximize the returns on your investments by offering guidance on how you can most effectively leverage Imprivata solutions, tools, and resources.

Focused on lifelong partnership

The mission of Imprivata Advanced Advisory Services is to establish Customers for Life. To achieve this goal, Imprivata offers Advanced Advisory Services, a subscription-based offering that assigns Imprivata Customer Success Management resources and includes personalized tools and critical training programs that set you up for long term success with your Imprivata solutions. The Imprivata team engages your executive and project teams, gets to know your business strategies and IT goals, and provides personalized guidance on how to achieve those goals with Imprivata solutions. By focusing on opportunities to increase utilization, satisfaction, and return on investment with your Imprivata solutions, this program is designed to develop a strategic partnership between Imprivata and your organization, now and in the future.

Consultative approach

Imprivata experts are accountable for understanding your business and identifying ways that Imprivata can meet your near-term and long-term objectives. Your organization can benefit from Imprivata Advanced Advisory Services if you:

- Want to maximize value from your Imprivata solutions
- Face enterprise-level change at increasing frequency or across increasingly complex environments
- Desire an Imprivata partner to help drive positive long-term business outcomes
