

# Imprivata OneSign application profiling program

**Maximum participants:** Up to five participants.

**Audience:** Application Administrator, IT Project Owner.

**Required pre-work:** Completion of approximately one hour of online self-paced training.

**Format:** Blended learning approach combining instructor-led training with eLearning instruction.

**Length:** 2 days

## Overview

This two-day course leverages base knowledge of the Imprivata OneSign platform and provides a deep dive into the capabilities of the Application Profile Generator. Course work includes hands-on workshops, exercises, discussions, and demos to create, deploy, and manage profiles. Intended for existing customers with Imprivata OneSign administration experience.

No certification is associated with this program.

Offered in the EMEA/APAC region only.

## Agenda

Day 1	Day 2
<ul style="list-style-type: none"><li>• Overview</li><li>• Profiling Essentials</li><li>• App Profiling</li><li>• Application Types</li></ul>	<ul style="list-style-type: none"><li>• Advanced App Profiling</li><li>• Deploying App Profiles</li><li>• Profiling Web Apps</li><li>• Troubleshooting</li></ul>

## Imprivata Learning Center

As part of the Imprivata blended learning approach all registered class participants are granted access to the Imprivata Learning Center consisting of self-paced eLearning courses for one year.
