

# Imprivata Education Services

## Overview

Education Services is part of our full end-to-end solutions at Imprivata along with our Professional, Managed, and Clinical Services. Education is key to your success, and that's why Imprivata is focused on providing educational resources that go far beyond implementation. We help you learn what you need to make the most of your investment: with comprehensive, virtual instructor-led training as well as a self-paced eLearning curriculum, you can gain increased skills resulting in optimal configurations, greater efficiencies, and higher end user adoption. We are dedicated team of certified trainers, professional instructional designers, and cutting-edge eLearning developers.

## Subscription model

The freedom of learning about Imprivata solutions on your terms. Benefits include unlimited access to all training offerings, a seat in the Imprivata Learning Center for all available content, certifications across all products, and refresher training as often as needed.

## Blended learning methodology

Imprivata Education Services delivers training using a blended learning approach. We start by leveraging eLearning pre-work to establish a baseline of required knowledge. Next, the virtual, instructor-led experience utilizes hands-on labs, interactive class discussions, case studies, and best practices based on real-world implementations. Upon successfully passing exams and program requirements, you can become Imprivata Certified in all our solutions. Finally, the eLearning library is available to sustain your learning and keep you up to date on the latest features of our releases.

## Education Services subscription

- Single or multi-year subscriptions available per individual users
- Unlimited access – access all offerings, sustain your knowledge
- Imprivata Learning Center – individual access to all eLearning and materials
- Certifications – certifications across all product offerings
- Refresher training – take as many classes as often as you want
