

What's in it for you?

If you work in IT, Security, Compliance, Clinical Informatics, Patient Registration or Privacy at **any level of your organization** and work with Imprivata solutions or hope to, then this conference is for you. Whether you make the decisions or handle the details or both, Imprivata Connect 2025 will showcase what you need to know to maximize your investment in our solutions.

Here are five great reasons why Imprivata Connect 2025 is a smart investment of your time:

Leverage networking opportunities

Expand your network and meet other professionals tackling challenges similar to yours. Connect with Imprivata and peer leaders to discuss strategic direction, exchange ideas, and share best practices.

Rev up your knowledge base

Hear from Imprivata leaders and others to gain deeper insights, plus get demos and updates on shared mobile, third-party access management, workflow optimization, passwordless authentication, facial biometrics, and more.

Help shape your solution's development

We're good listeners, and we continuously seek input and feedback to help drive your ongoing success. We'll welcome and encourage you to voice your views on your solution's future capabilities and enhancements.

Tap into a dynamic participant-driven forum

Our UnSummit forum empowers you to propose and vote on discussion topics, ensuring that the sessions are relevant and valuable. From diving into technical details or tackling emerging trends.

Renew and reinvigorate your focus

Walk away from this engaging, energizing, immersive experience with valuable information, fresh perspectives, and new ideas that will serve as a catalyst for enhanced inspiration, motivation and innovation.
